Satya,

I used your product on the affected area(fuel oil spill in the basement) and I am happy to say there is now no trace of odour,

This is an excellent product. I had nearly given up on this problem and was very fortunate in contacting your company.

Many many thanks.

Yours Sincerely

Jim Mulgrew

Dear Sir,
I received your product today and I would like to thank you for all the help you have given me , including the samples.
It is refreshing to deal with such honest people.
Many thanks,
Jim Mulgrew
